

Terms and Conditions – Sydbank MasterCard Private Classic Ung Debit

Valid from January 2015

Terms and Conditions – MasterCard Private Classic Ung Debit

Sydbank's Terms and Conditions, which are provided in connection with the establishment of any customer relationship, apply to any and all business transactions between Sydbank and its clients unless otherwise expressly agreed between the parties or determined by Sydbank.

The following additional terms and conditions apply to Sydbank MasterCard Private Classic Ung Debit cards (in the following Sydbank MasterCard Ung Debit cards) unless otherwise specified.

1. Card use

Sydbank MasterCard Ung Debit is a payment instrument that can be used in Denmark and abroad. All transactions are checked against the account balance and therefore the card can only be used when there are sufficient funds in the account. A Sydbank MasterCard Ung Debit card may be issued in connection with an account with Sydbank, see however 19. Sydbank MasterCard Ung Debit cards can be used as a cash card and as a payment card.

2. Where can the card be used?

2.1 Cash withdrawals

You can use your Sydbank MasterCard Ung Debit card to withdraw cash at Danish and foreign ATMs that accept Sydbank MasterCard Ung Debit cards. In addition the card can be used for cash withdrawals at Sydbank as well as at Danish and foreign banks that accept MasterCard.

The maximum amount withdrawable appears from the Tariff of Charges, see also 2.5. Local restrictions may mean that a minimum fee is charged several times. Please note that it is customary outside Denmark to show ID in the form of a passport when withdrawing cash.

2.2 Purchases

A Sydbank MasterCard Ung Debit card can be used to pay for goods and services at Danish and foreign merchants that accept MasterCard. The MasterCard logo will be displayed at a merchant or on a merchant's website when the merchant accepts MasterCard. Your card can also be used to make purchases on the internet. In addition you can use the card to make purchases by mail and telephone order as well as in connection with self-service machines. If a merchant owes you money, the merchant can credit the amount to your account via your card. You may not use the card for illegal purposes, including the purchase of goods and services that are illegal according to local legislation.

In addition individual merchants may have certain restrictions on use.

Sydbank and Nets assume no responsibility if a merchant refuses to accept a Sydbank MasterCard Ung Debit card as a means of payment.

2.3 Information on use of Sydbank MasterCard Ung Debit cards abroad

Information on the use of Sydbank MasterCard Ung Debit cards in various countries is available at Sydbank and at mastercard.dk.

2.4 Amounts debited to your account

As a rule purchases and withdrawals will be debited to your account on the same day that a purchase or withdrawal is made. The time of debiting will however depend on when the Bank receives the transaction.

The amount is reserved in your account as soon as the Bank receives notice of the transaction. This means that the amount reserved is no longer at your disposal. The amount is debited to your account as soon as Sydbank receives the payment demand from the merchant. If you withdraw cash at Sydbank's ATMs and at certain other banks' ATMs in Denmark, the amount will be debited to your account immediately. You may withdraw cash or make purchases only up to the account balance unless other arrangements have been made with the Bank. When payments or withdrawals are made in foreign currency, the amount will be translated into Danish kroner, see the Tariff of Charges.

2.5 Spending limits

Sydbank MasterCard Ung Debit cards have an overall limit for purchases and withdrawals applying to any 30-day period, including limits on the maximum amount withdrawable from banks and ATMs per day. The limits appear from the Bank's Tariff of Charges. In addition individual merchants may set limits on card use. Moreover individual banks may have imposed limits on how much you can withdraw. A fee may be charged every time you withdraw cash, regardless of the amount.

2.6 Games and lotteries

When you use your Sydbank MasterCard Ung Debit card at merchants that predominantly offer gambling and betting services, for instance casinos, lottery ticket sellers and race tracks, a spending limit per day may apply. The spending limit appears from the Tariff of Charges.

2.7 SMS service

If you have disclosed your mobile phone number to Sydbank, you will receive an SMS from the Bank informing you of transactions made with your MasterCard at foreign webshops, merchants and ATMs. This will enable you to quickly find out if your card or your card information is misused abroad.

2.8 Replacement of personalised cards

Your image will be kept for approx 18 months, however subject to any changes which may imply that the image is deleted or must be uploaded again.

If a personalised card is replaced at the request of the Bank:

- within approx 18 months from upload to the Bank's card design system, the same image will be used free of charge for you
- after approx 18 months following upload, you will receive the Bank's standard card without an image.

The replacement of personalised cards at your request is subject to a charge, see the Tariff of Charges.

3. Safekeeping of card and PIN

3.1 Card

The card is personal and may only be used by you. As soon as you receive the card, you must sign the signature strip on the back of the card. You may not hand over or entrust the card to anyone else.

3.2 Authority

The card and PIN may only be used by you. If you would like someone else to be able to make withdrawals from your account by card, this person must have his own card and his own PIN. The use of the card by the additional cardholder is subject to the same terms and conditions as those applying to you. If you would like to cancel the additional card, Sydbank must be notified in writing and the card must be returned to the Bank.

3.3 PIN

Unless you have chosen to use the same PIN for several cards, you will automatically receive a PIN for your card. When you receive the PIN, it is important to check whether anyone else may have had access to the PIN. If this is the case you must contact your Sydbank branch immediately.

You should memorise your PIN. You must not keep your PIN together with the card or write it on the card. You must not disclose your PIN to anyone else or otherwise allow anyone to obtain knowledge of the PIN.

You may at a later date choose to have the same PIN for all cards issued by Sydbank – private cards as well as business cards. If you are unable to memorise your PIN or if you wish to save it, you must keep it safe. If you need to write down your PIN, you should use a PIN memoriser that is available at sydbank.dk or at your Sydbank branch.

4. MasterCard SecureCode

MasterCard SecureCode provides an extra layer of security against the unauthorised use of card information when making transactions on the internet. Security in connection with online shopping involves – in addition to the card – a single-use code that you will receive by SMS from Nets in connection with the payment. The single-use code is only used in connection with online purchases from merchants offering MasterCard SecureCode. If you have not registered for MasterCard SecureCode, you cannot shop at the merchant in question.

4.1 Registration

Before or at the latest in connection with your first purchase from a MasterCard SecureCode merchant, you must register your card for MasterCard SecureCode.

You can register via sydbank.dk or in connection with your first MasterCard SecureCode purchase. You must use your NemID to register. You must also provide the mobile phone number on which you wish to receive single-use codes.

4.2 Change

If you wish to change/deregister your mobile phone number you can do so via sydbank.dk or in connection with a MasterCard SecureCode purchase. You must use your NemID to change/deregister your mobile number.

4.3 Specific conditions concerning the card and the registered mobile phone

Since your mobile phone will constitute part of the security of shopping online at merchants offering MasterCard SecureCode, you must ensure that unauthorised persons do not have or cannot gain unimpeded access to your card and your mobile phone. Therefore you must change/deregister your mobile phone number with MasterCard SecureCode as soon as possible if you lose the mobile phone on which you receive single-use codes. If you also lose your card this must also be blocked, see 9.

5. Use of card

Before approving a payment or withdrawal, you must always ensure that the amount shown on the sales slip or terminal etc is correct. Payments that you have approved cannot be revoked. See however 7 and 8 on reversal of payments.

The card can be used in the following ways:

- with the chip or magnetic stripe as well as the PIN
- with the chip or magnetic stripe as well as your signature
- with the card number, expiry date as well as the security code (online transactions etc)
- with the chip or magnetic stripe at self-service machines where the PIN is not entered
- with the contactless functionality.

With PIN

When entering your PIN, you must ensure that you are not being overlooked by anyone.

With signature

You must never sign a sales slip:

- if the amount has been left out, or
- if the amount is incorrect.

If you become aware that more than one print of the card is made, you should make sure that any unused prints are destroyed. When you use your Sydbank MasterCard Ung Debit card for instance to hire a car or check into a hotel, you will usually be asked to sign a slip allowing the car rental company or hotel to debit additional amounts to your account.

You should be aware that this allows the car rental company or the hotel to subsequently debit amounts to your account, see 7.1.

Internet transactions etc

When using the card for online purchases, you must state your card number, the card's expiry date and security code. If the merchant is a MasterCard SecureCode merchant, you will also need to enter the single-use code you will receive by SMS from Nets in connection with the purchase. When using the card for purchases by mail or telephone order, you must state your card number, the card's expiry date and security code and possibly your name and address. In connection with mail order purchases you are also required to sign the order form.

You must never disclose your PIN in connection with internet purchases or purchases by mail or telephone order.

Self-service machines without PIN

At some self-service machines you can use your card without entering your PIN or providing your signature. In these cases you approve the transaction when you insert your card or when you subsequently press "Godkend" (approve).

Contactless payment

When you use a contactless card, payment can be made without direct physical contact with the payment terminal, and for payments up to currently DKK 200 without entering your PIN or providing your signature. Payments above the current limit can also be made without direct physical contact with the payment terminal but only if you also enter your PIN.

For security reasons you will be asked from time to time to use the chip on the card and to enter your PIN – regardless of the size of the payment.

Contactless payments may be made at contactless-enabled payment terminals. It is up to you whether you wish to use the contactless functionality or whether you wish to use the card's chip/magnetic stripe and PIN (signature).

Sydbank may adjust the maximum amount for contactless payment without use of the PIN without giving notice of the adjustment unless the amount is increased or reduced by more than 50% within a calendar year. The current maximum amount can be seen in the Tariff of Charges at sydbank.dk.

5.1 Receipts

When making purchases or withdrawals, you should always ensure that you obtain a receipt. The receipt must indicate the date, amount and part of your card number. You must also ensure that it matches the amount withdrawn or the purchase made and that the date is correct. You should save the receipt until you have checked that the correct amount has been debited to your account, see 6. Some self-service machines do not issue a receipt when a payment is made. If you have made online purchases, you should make a screen print showing the amount payable.

This print can be used to check your account. If you allow a merchant to charge an additional amount to your card, for instance a tip, you should ensure that you obtain a receipt for the full amount.

5.2 Subscriptions

When using your card number to pay for ongoing services, for instance a subscription, you must make sure that you comply with the merchant's terms and conditions if you decide to cancel the

subscription. If you change your card or your card number, you must remember to inform the merchant of your new card number.

6. Checking account entries

You are under an obligation to check the entries on your account regularly. If you spot transactions that do not match your receipts or that you believe to be unauthorised, you must contact Sydbank as soon as possible. Please note the time limits in 7 and 8.

When checking your account entries, you must be aware that when you use your card for online purchases or for purchases by mail or telephone order, the merchant may not, as a rule, debit the amount until the goods have been sent. However, if you purchase eg airline tickets or concert tickets, the merchant will debit the amount when you place your order.

7. Reversal of payments that you have approved

7.1 If you did not know the final amount before approving the transaction

If you did not know the final amount when you approved the payment and the amount subsequently debited to your account is significantly larger than could reasonably be expected, you may be entitled to a reversal of the payment. This may occur for instance in connection with hiring a car or checking out of a hotel where you have signed a slip allowing the merchant to subsequently charge you for the cost of eg petrol or items consumed from the mini bar. You must contact Sydbank no later than eight weeks after the amount has been debited to your account if you believe that you are entitled to a chargeback where you have not approved the final amount. However you are not entitled to a chargeback if the merchant has notified you of the amount charged at least four weeks before the payment is due.

7.2 Online purchases and purchases by mail and telephone order

If you have used your card to purchase goods or services:

- on the internet, or
- by mail or telephone order, or
- in other situations where the card is not read but where card information (card number etc) is provided to implement the transaction
- at self-service machines without entering your PIN

you may be entitled to a chargeback if:

- the merchant has charged an amount larger than agreed, or
- you have not received the article/service ordered, or
- you have exercised an agreed or statutory right of cancellation before the article/service was delivered.

You should first attempt to resolve the problem with the merchant before you contact your Sydbank branch, and you must be able to substantiate that you have contacted or attempted to contact the merchant. It is a condition that you contact the Bank as soon as possible after becoming aware of any unauthorised transactions. To the extent possible you must submit your complaint no later than 14 days after becoming aware of your possible claim. When assessing

whether you have made the complaint in due time, the Bank will take into account your obligation to check your account entries regularly, see 6.

Sydbank will subsequently examine your complaint. While the complaint is being examined, the disputed amount will normally be credited to your account. If your complaint proves to be unjustified, the amount will be debited to your account.

If your complaint proves to be unjustified, the Bank may charge interest from the time when the amount was credited to your account and until it is debited as well as a fee for obtaining a copy of the sales slip, see the Tariff of Charges.

7.3 Complaint regarding a MasterCard Ung Debit transaction

If you have made a transaction using your Sydbank MasterCard Ung Debit card, see 2.2, there are further instances where the reversal of a payment is possible. Further information is available at www.nets.eu/dk or by contacting your Sydbank branch.

8. Reversal of payments that you have not approved

If you believe that your card has been used for one or more transactions that you have not approved, contributed to or made, you must contact Sydbank as soon as possible after becoming aware of the unauthorised transaction(s).

When assessing whether you have made the complaint in due time, the Bank will take into account your obligation to check your account entries regularly, see 6. Under all circumstances you must contact the Bank as soon as possible and no later than 13 months after the amount has been debited to your account.

Sydbank will subsequently examine your complaint. While the complaint is being examined, the disputed amount will normally be credited to your account. If the complaint proves to be unjustified, the amount will be debited to your account. If the examination reveals that an unauthorised person has used your card, the Bank may hold you responsible, see 10. If your complaint proves to be unjustified, the Bank may charge interest from the time when the amount was credited to your account and until it is debited as well as a fee for obtaining a copy of the sales slip, see the Tariff of Charges.

8.1 Errors and defects

Sydbank assumes no responsibility for errors and defects etc of services provided by the merchant. Any complaints concerning errors and defects of services provided must be addressed to the merchant.

8.2 Revocation

Sydbank MasterCard transactions cannot be revoked (countermanded).

9. Your obligation to block your card

You must contact Sydbank as soon as possible in order to block your card if:

- you lose your card, or
- someone obtains knowledge of your PIN, or

- you discover that the card has been misused, or
- you suspect that the card has been copied, or
- you suspect that the card may be misused in some other manner.

Outside banking hours you must block your card by calling +45 44 232 232, which provides a 24-hour service. You must state your name, address and possibly your card number or CPR number to have the card blocked immediately.

You can also contact Nets by fax +45 44 68 11 36. When Sydbank or Nets has blocked the card, you will receive written notification stating the reason for and the time of the blocking. If you find the card again, you must contact the Bank to agree on what action to take.

10. Your liability in connection with card misuse

10.1

If an unauthorised person has used your card, Sydbank will cover the loss unless the loss is comprised by 10.2-10.6 below. Sydbank must prove that the loss is covered by 10.1 to 10.6.

10.2

If an unauthorised person has used your card and PIN, you are liable for losses of up to DKK 1,100. The total amount payable by you is DKK 1,100 if several of your cards with the same PIN, private cards as well as business cards, are misused in connection with the same event, provided however that all cards are blocked simultaneously.

10.3

You are liable for losses of up to DKK 8,000 if an unauthorised person has used your card and the PIN has been used, and:

- you have failed to notify Sydbank as soon as possible after having learned that the card was missing or that the PIN has come to the knowledge of the unauthorised person, or
- you have disclosed the PIN to the person responsible for its unauthorised use and you did not realise or should have realised that there was a risk of misuse, or
- the unauthorised use has been made possible as a result of your gross negligence.

10.4

You are liable for losses of up to DKK 8,000 if an unauthorised person has used your card where the card has been read physically or electronically and the unauthorised person has used a forged signature, and:

- you or anyone to whom you have entrusted the card has failed to notify the issuer as soon as possible after having learned that the card was missing, or
- you or anyone to whom you have entrusted the card has made unauthorised use possible as a result of gross negligence.

Your total liability cannot exceed DKK 8,000 even if you are liable under both 10.3 and 10.4. However the total amount payable by you is DKK 8,000 if several of your cards with the same PIN, private cards as well as business cards, are misused in connection with the

same event, provided however that all cards with the same PIN are blocked simultaneously.

10.5

You are liable for the loss in full if the PIN has been used in connection with the misuse under the following conditions:

- You have disclosed the PIN to the person responsible for its unauthorised use and you realised or should have realised that there was a risk of misuse.

10.6

You are moreover liable for the loss in full if you have acted fraudulently or intentionally failed to fulfil your obligations in accordance with the Terms and Conditions, including to keep the card and the mobile phone to MasterCard SecureCode safe, see 4, to protect the PIN, see 5, or to block the card, see 9.

10.7

If you have several cards with the same PIN, private cards as well as business cards, the unlimited liability under 10.5 and 10.6 applies to each card that has been misused.

10.8

You are not liable for losses incurred after Sydbank has been informed that the card must be blocked. You are moreover not liable for losses if you have been unable to block your card due to circumstances at the Bank.

11. Persons under the age of 18 (legally incompetent persons)

A legally incompetent person will be held liable for the unauthorised use of a card by a third party in accordance with the provisions of the Danish Guardianship Act and the rules on liability of legally incompetent persons.

If the Bank wishes to hold a legally incompetent person responsible for the unauthorised use of the card by a third party, the Bank will notify the guardian(s) of the legally incompetent person.

12. Sydbank's rights and liability

12.1 Sydbank's right to block the card

Sydbank is entitled to block the use of the card if:

- the account to which your card is issued has been closed, or
- if you violate the Terms and Conditions, including if you overdraw the account to which the card is issued, or
- the card has been misused or is presumed to have been misused by a third party.

If the account is overdrawn, you will receive a written reminder before the card is blocked. Immediate blocking may however be necessary if the account is severely and/or repeatedly overdrawn. Moreover Sydbank may demand that all cards relating to the account are returned.

12.2 Blocking

When the card has been blocked, Sydbank will notify you of the reason for and the time of the blocking.

Travel insurance and other additional benefits provided with your card will cease 90 days after your card is blocked unless before such time the card is reactivated or a new MasterCard under the agreement is issued. However the travel insurance and other additional benefits may be cancelled sooner if the agreement has been terminated by you, the account holder or Sydbank before such time or your MasterCard expires before such time.

12.3 Card replacement

Sydbank is entitled to replace your card at any time.

12.4 Industrial disputes

If Sydbank and/or Sydbank's data centres become involved in an industrial dispute, you will not be able to use your card in Denmark. You will be notified as soon as possible at the beginning and end of such a dispute through announcements in the daily newspapers or otherwise.

If one or more of the Bank's data centres and/or one or more of the Bank's international business partners become involved in an industrial dispute, you should not expect to be able to use your card outside Denmark. If an industrial dispute relates solely to a dispute outside Denmark, you will still be able to use your card in Denmark.

13. Expiry

The card can be used up to and including the date of expiry stated on the card after which the card will no longer be valid. Before the card expires, you will receive a new card or be notified that the new card is available at your Sydbank branch. If a new card is not issued, the travel insurance and other additional benefits will cease on the expiry date stated on the card.

14. Termination

Sydbank may terminate the agreement subject to two months' notice. In case of termination you will receive a proportionate refund of any fees paid in advance for the use of the card. You may terminate the agreement with Sydbank subject to one month's notice.

If you terminate the agreement within a period of six months, the Bank may charge a fee for terminating the agreement, see the Tariff of Charges.

If the agreement is terminated by you or the Bank, you must return the card to the Bank. If you send the card by post, you must cut it in half before sending it.

Any insurance provided with the card will lapse at the same time as the cancellation of the card.

15. Changes in the Terms and Conditions

The Terms and Conditions and the Tariff of Charges may be changed subject to two months' notice if such change is to your disadvantage. Any changes that are to your advantage may be made without notice. You will be notified of any changes by letter or electronically. You are obliged to inform Sydbank of any changes in

your postal or email address and you are responsible for not receiving notification of changes if you have failed to inform Sydbank of any change in your postal or email address.

You will be bound by any such changes unless you notify Sydbank before they become effective that you do not wish to be bound by the new terms and conditions. If you notify Sydbank to this effect, the agreement will be deemed to be terminated on the date when the new terms and conditions enter into force. If you have paid the annual card fee in advance, you will receive a proportionate refund.

16. New copy of the Terms and Conditions

If for some reason you need the Terms and Conditions, you can find them at sydbank.dk or you can contact your Sydbank branch.

17. Complaints

If you have a complaint, you may contact Sydbank. If you do not obtain an acceptable resolution, you may contact the Danish Complaint Board of Banking Services or the Consumer Ombudsman.

If you wish to file a complaint regarding the blocking of your card, you may contact Sydbank. If you do not obtain an acceptable resolution with Sydbank, you may file a complaint with the Danish Data Protection Agency.

18. Fees

18.1 The Bank's fees

An annual card fee may be charged and is payable in advance. The fee is debited to your account, see the Tariff of Charges.

Annual card fees, card use fees, any account fees, any bank statement fees, any card replacement fees and copy of sales slip fees etc appear from the Tariff of Charges.

18.2 Card use fees

Banks and merchants may charge a fee when the card is used. Danish merchants that charge a fee in connection with card use must inform you of this fee prior to payment. Danish merchants may not charge a fee for physical payment transactions between the cardholder and the merchant.

18.3 Conversion rates when using the card abroad

Purchases and withdrawals made abroad are converted into Danish kroner, see the Tariff of Charges, and are always debited in Danish kroner. Conversions are based on the methods described in the Tariff of Charges, see under "Reference rate". Any changes in the reference rate stated in the Tariff of Charges will become effective without notice. The exchange rate may have changed between the time you used your card and the time your account is debited. Moreover some countries, mainly outside Europe, have several official exchange rates depending on where the rate is obtained.

18.4 Currency conversion by merchants (DCC – Dynamic Currency Conversion)

If you use your card abroad, a merchant may conduct a currency conversion before payment is made.

Before you give your approval, the merchant must inform you of the fees charged and the exchange rate used in connection with the conversion. You should be aware that the rate used by the merchant may differ from the Bank's exchange rate and that the Bank has no influence on the conversion rate used by the merchant.

18.5 Refund of fees

If your Sydbank MasterCard is terminated in the middle of a fee period owing to important changes in the terms and conditions of use of Sydbank MasterCard to your disadvantage or owing to termination of the agreement by you or Sydbank, you will receive a proportionate refund of the fee paid.

If you terminate the account relationship after the card fee has been paid, the card fee will be refunded provided your notice of termination is received no later than 14 days after the expiry of the existing card and the new card has not been used, however always less any costs incurred by Sydbank in connection with the termination. If Sydbank's termination is due to your breach of agreement, the fee paid will not be refunded by Sydbank.

19. Assessment of card applicants

Cards are issued subject to individual assessment.

20. Use, storage and disclosure of information

When the card is used, information such as the card number, amount, date of card use as well as place of use is registered. This information is passed on by the merchant to Sydbank.

The information is stored by the merchant, the merchant's bank/Nets and Sydbank. The information will be used in the Bank's bookkeeping, in bank statements and in relation to any subsequent error correction. In other respects information will be passed on only where required by legislation or in order to prevent any unauthorised use of the card. The information will be stored for the current year plus five years. In connection with registration for MasterCard SecureCode, your mobile number will be stored by Nets in order to send single-use codes.

21. Registration of blocked cards

When Sydbank or Nets has blocked a card, see 9 and 12, the card will be blocked for use in the authorisation systems of Nets and MasterCard/Europay to the extent that Sydbank finds it necessary in order to prevent unauthorised use. The card will also be blocked if Sydbank has reasonable grounds for suspecting unauthorised use.

Useful advice – Sydbank MasterCard Classic Ung Debit

Most Danes have one or more payment cards. Even though payment cards are one of the safest means of payment, they are occasionally misused. If you follow the advice below, you will help to make them even safer.

Useful advice – Sydbank MasterCard Ung Debit

Before use

Consider your Sydbank MasterCard Ung Debit card as cash.

Keep it safe at home as well as away from home. For instance, do not leave it for others to see.

Memorise your PIN. Use a PIN memoriser if you are not sure whether you will always be able to remember your PIN. You can fill in a PIN

memoriser that is available at sydbank.dk or at your Sydbank branch. Never disclose your PIN to anyone else – it is personal and confidential and no one else must know your PIN. Do not use your PIN as a password in other contexts, eg for your PC or NetBank.

During use

Protect your PIN when entering it. Make sure that you are not overlooked by anyone.

Never sign a receipt before the total amount has been filled in.

Remember your receipt and save it for when you check your statement.

After use

Check your account entries via NetBank. Check regularly that you have not lost your card. Take immediate action if your card is missing or if you suspect that it has been misused or that someone knows your PIN. Contact Sydbank Card Service as soon as possible.
