

# IBAN countries

Together IBAN (International Bank Account Number) and BIC (Bank Identifier Code) simplify your international payments. When you use your IBAN in the Bank's self-service systems, we provide the relevant BIC.

In some countries IBAN as well as BIC are mandatory. If IBAN is missing or incorrect your payment may be rejected, delayed and subject to charges.

As a rule, if a recipient country has introduced IBAN, Sydbank will charge a fee in case of a missing or incorrect IBAN.

IBAN and BIC appear on the invoice – otherwise, please contact the payee.

Your IBAN appears at the bottom of your bank statements from Sydbank.

The list below comprises the countries where IBAN is mandatory as well as the countries in which IBAN is recommended even though it is not yet mandatory.

*Please note that the IBAN examples are fictitious and the modulus is incorrect.*
