# Best Execution Quarterly Report

At Sydbank we aim to provide our clients with the best possible service, including services in connection with investments in financial instruments.

This quarterly report, RTS 27, which forms part of MiFID II, shows how Sydbank meets the Best Execution requirements.

## Publication of the Best Execution Report

The Best Execution report is published four times a year and not later than three months after the quarter included in the report. Below you can see, when we will publish the reports:

1 January to 31 March	30 June
1 April to 30 June	30 September
1 July to 30 September	31 December
1 October to 31 December	31 March

The Best Execution Quarterly report will be available at <https://www.sydbank.dk/omsydbank/investering> in an Excel-format (.xlsx).

## Data gathering

The Best Execution report consists of data gathered from our databases. During the period this gathering process has been adjusted to provide the most accurate data.

Sydbank strives to provide the best possible data quality in its reports and due to the ongoing adjustments Sydbank reserve the right to update already published Best Execution reports.

Any updates will be announced at <https://www.sydbank.dk/omsydbank/investering>.
